

The **Crystal Clear mark** is Ireland's only health literacy quality mark for pharmacies. The initiative was developed in collaboration with the Irish Pharmacy Union (IPU) and is supported by Healthy Ireland.

The **Crystal Clear mark** recognises the critical role pharmacies play in helping people understand their health issues and the steps they need to take to improve their health. The mark is awarded to pharmacies where there is evidence of, and commitment to, providing a literacy friendly service. This means the pharmacy is taking account of and supporting literacy and numeracy needs and looking for ways to consistently communicate clearly.

We award the quality mark for 3 years and it is free to apply.

For more details, see our website www.nala.ie/health-literacy/crystal-clear-mark
